## TESTIMONIALS

**MANISHA BISWAS:** “I joined army institute of management on 17th July 2016, from that day my life was not less than a roller coaster ride. The first month was very tiring as the whole day we use to sit in the seminar hall for our induction, and after the induction there were interactive sessions conducted by our seniors. We use to get dead tired but I remember my seniors saying that this is the best part of AIMK and indeed it was. My two years went in attending classes and fests. The journey of army institute of management is little different because of its residential program. The friends you make here are for life. You spend 24 hours with your batch mates. You laugh, cry, fight, enjoy and make memories together. By the end of the 4th semester your batch becomes a family. Over here you not only make a special bond with your batch mates but also with your seniors, juniors and faculty members. Through all these semesters AIMK becomes a second home for everyone. Finally that day comes where you have to leave your second home, and join corporate office. This day is very hard for everyone. On this day you realise that all those silly fights and issues were very small and life doesn't stop here.”

“I can write pages and pages on my journey as I have so much to write, but I would like to sum it up by thanking Army Institute of Management for giving me the best days of my life.”

# ALUMNI MEET

Alumni were welcomed back to Bangalore Brew Works for the Alumni Meet on Saturday 9th June, 2018.

The Alumni Meet took place for the Batches from MBA 1 to MBA 19 who were celebrating five, thirteen and Eighteen years since graduating from the AIMK. We were delighted that this year's Alumni Meet had the good turn out, with over 27 alumni and guests in attendance. There were alumni from as far as Australia and all places from Bangalore who came especially to celebrate their anniversary year and reunion.

The evening was very special, not only did the weather stay fine, but also the aura of the place and the air surrounding the terrace was cool with ear soothing music which made Informal meeting with the Alumni very memorable.

The alumni shared their experience as well as interesting moments of campus life and also discussed the tradition which is followed by the upcoming batches.

It was a remarkable evening completing both the aspect of meeting that is the Placement of Upcoming batch and the reunion of Alumni building strong network and relation between the past, present and Future of AIMK students.
