# ACTIVITIES IN COLLEGE

## INFERNO

### Managerial and Cultural fest of AIMK.

Every year we celebrate our annual B-School Meet in the form of an event called INFERNO. This year the event was organized on 11th, 12th and 13th of April 2017.

This was a very good platform for our students, as well as the students from other B-Schools to showcase their skills in different activities. We had many different activities starting from stage activities to sports.

On the second day, we had various events throughout the day. On stage we had an event called minute to fame, where our college students as well as students from various colleges portrayed their skills within the given time frame of one minute. We also had various sports events throughout the day, in the morning we had Cricket and Basketball matches and later on in the evening we had Football matches.

Third day we moved on with the sport events such as Badminton, Table tennis.

It was really wonderful having seen teams play with lots of energy and good coordination between them.

We also had some off stage events on the third day. These events were mostly related to business curriculum such as Business Quiz, Ad-wid-ya, i-trade, Fundamental Flaw, Corporate Roadies, Debate, Treasure Hunt, Sherlock.
