

Dr. Malini Majumdar (Academic Coordinator)

MBA PROGRAMME

AIMK's 2-years full-time residential MBA prepares students for a dynamic business world with practical, future-ready skills. Approved by AICTE and affiliated to MAKAUT, the program includes a 6-8-week summer internship. It combines academic rigor with hands-on learning in a close-knit batch of 120 students.

MBA Specializations

Brig (Dr) Sujay Ranjan Chaudhuri (Retd), PhD, HC, MPhil, MTech, MBA, PSc, MSc, (Director)

INDIAN ARMY CONNECT

At AIMK, we are proud of our ARMY CONNECT and have imbibed its ethos, values system, discipline, fitness, chivalry, and integrity.

SPECIALISATION

Army Institute of Management offers a 2-Years Full Time residential MBA program approved by AICTE, New Delhi and affiliated to MAKAUT University with specializations in Marketing, Finance, Human Resources, Business Analytics, Systems and Operations.

CORPORATE IMMERSION

At AIMK, corporate immersion goes beyond the classroom. With a strong network of 3000+ alumni in leading global companies, students gain valuable mentorship and real-world insights. Regular guest talks, live projects, and industry interactions ensure hands-on exposure to current business practices. Backed by strong corporate collaboration, our students are well-prepared for impactful internships and successful careers.

Erudite Mentors

PEDAGOGY

- Hands-on Learning: Case studies, projects, and a summer internship build real-world skills.
- Tech & Innovation Focus: Prepares students for a dynamic, digital business world.
- Personalized Experience: Small batch and residential setup foster close mentorship and peer learning.

OPERATION SINDOOR

A seminar conducted by the Indian Army highlighted the strategic execution and humanitarian efforts during the operation. It provided insights into the challenges faced and the Army's prompt response to crisis situation.

CORPORATE SUMMIT

The Corporate Summit at AIMK featured dynamic sessions and interactive chats with industry leaders, offering students valuable insights into emerging business trends. Engaging discussions bridged the gap between academic learning and corporate expectations.
